SHARE YOUR TESTIMONY

"Jeremiah 29:11 is my favourite Bible verse. It's a reminder that even when we may want to see our life go a certain way, God had a plan for us and is ultimately better for us. Last year I lost my job and was job searching and praying for months.

Eventually when I got a job, it wasn't from any of the places I applied but from a different place I temporarily worked at last year who wanted me to come back full time. In the end, **God already had a job for me that was better than any of the other jobs I applied for.** I just had to wait on His perfect timing" - Ryan
